SUMMARY

Innovative professional in software development, known for productivity and efficiency in completing projects. Possess strong skills in algorithm design, system architecture, and code optimization. Excel in problem-solving, communication, and teamwork, ensuring successful collaboration on complex projects.

SKILLS

- Web Application Development
- API Design and Implementation
- Responsive Web Design: Mobile-first designs, cross-browser compatibility
- Front-End Development: HTML5, CSS3, JavaScript (ES6+), React.js, Vue.js, Next.js
- Back-End Development: Node.js, Express.js
- Database Management: MongoDB, Firebase, MySQL (SQL and NoSQL)
- UI/UX and Styling: Tailwind CSS, Bootstrap, SASS
- SEO & Web Performance: On-page SEO, semantic HTML, and performance optimizations
- Version Control: Git, GitHub, GitLab, and Bitbucket
- Cloud Services: AWS, Azure, Google Cloud Platform (GCP)
- State management: Redux, Vuex, Context API
- Collaborative development planning
- Debugging, cross-browser compatibility, and mobile-first design

EXPERIENCE

Software Engineer, Strugbits, February 2024-Current
Karachi, Pakistan

- Developed and maintained scalable web applications using Next.js, focusing on optimization and performance.
- Implemented Next.js caching strategies to significantly reduce load times, and enhance user experience.
- Designed and managed CI/CD pipelines, automating build and deployment processes to improve release efficiency.
- Analyzed user requirements, created technical specifications, and developed solutions to meet business and system needs.

Front End Developer, Teksyo, November 2022-February 2024

Karachi, Pakistan
- Built and maintained responsive web applications using ReactJS and Vue.js, improving user engagement and experience.
- Assisted clients with deploying applications in Azure, ensuring smooth, error-free launches.
- Debugged and tested code to enhance reliability and minimize post-launch issues.
- Delivered projects on time and within budget, meeting all performance and compliance requirements.

Associate Front End Engineer, Siliconplex, September 2021-November 2022
Karachi, Pakistan
- Designed and maintained responsive websites, optimizing for user engagement.
- Implemented SEO optimizations, improving search engine visibility through meta tags and keyword strategies.
- Collaborated across teams to ensure the timely completion of client projects, contributing to multiple roles within each project.

EDUCATION

ACCP PRIME
Software Engineering, Aptech Computer Education , Karachi, Pakistan November 2023

Intermediate
Engineering (Pre-Engineering), GOVT. DEGREE BOYS COLLEGE 11-A, Karachi, Pakistan February 2020

Hifz Ul Quran
Islamic Studies, Babul Islam, Karachi, Pakistan May 2014

INTERESTS

- Gaming
- Football
- Fitness
- Cyber Security
